

## 2012 Junior Fellowship Scheme

After a large and very strong field the Society decided to offer ten awards under this scheme for the 2012-2013 academic year. Congratulations are offered to:

Emanuele. Ciani, University of Essex (*The Economics of Caregiving*)

Francisco Costa, London School of Economics (*Just Do it: Temporary restrictions and new consumption habits*)

Alessandro Iaria, University of Warwick (*Choice Set Misspecification in Discrete Choice Models*)

Theo Koutmeridis, University of Warwick (*Information Finance and Labor market Inequalities in Macroeconomics*)

Christian Krestel, University College London (*Reputation and learning in Games*)

Oliver Latham, University of Cambridge (*Essays in Political Economics*)

Dan Rogger, University College London (*Assessing Decentralisation*)

Claudia Steinwender, London School of Economics (*The role of intermediaries in international trade*)

Bassel Tarbush, University of Oxford (*Essays in games, logic and information*)

Ansgar Walther, University of Cambridge (*Asset price bubbles*)
