

Standards of Conduct Committee Membership

Expressions of Interest

Expressions of interest are warmly invited for membership of the RES Standards of Conduct Committee. An expression of interest should include a summary curriculum vitae and a covering letter, with the latter setting out:

1. Your experience and qualifications (if any) relevant to the role, if these are not included in the summary curriculum vitae;
2. Your motivation(s) for wishing to be a member of the Committee;
3. What you can contribute to the Royal Economic Society towards the promotion of high standards of conduct in the economics profession.

The covering letter and summary curriculum vitae should, in total, be approximately two to three pages in length.

Expressions of interest should be sent by email to the RES Office at the address officemanager@res.org.uk by **Monday 14 February 2022**.

From the expressions of interest received, some people will be individually invited to participate in a discussion, lasting approximately 45 minutes, with a group of RES trustees during the week starting 28 February, in order to establish a sound mutual understanding about the Committee. Appointments to the Committee are expected to be made at the meeting of the RES Trustee Board due to be held in March 2022.
